Iowa State University Center for Industrial Research and Service (CIRAS) (www.ciras.iastate.edu)

- CIRAS teams continue to offer solutions to assist manufacturers (total=18 companies) in exceeding pre-disaster production levels. Examples of assistance include facility layout, materials testing, energy efficiency and education on conducting business with federal, state and local agencies along with identifying current and future procurement opportunities for Iowa businesses.
- CIRAS is exploring opportunities/needs for hosting workshops to address common industry recovery challenges and beginning to collect lessons learned on preparation, disaster response, and recovery in industry. In addition, CIRAS is working with other Manufacturing Extension Partnership (MEP) centers and their partners across the US in identifying best practices for disaster recovery.
- CIRAS has volunteered to act as a resource for the Iowa Small Business Development Center (SBDC) and Cedar Rapids Chamber of Commerce case management activities for manufacturing companies.

Rebuild Iowa Office (www.rio.iowa.gov)

- Rebuild Iowa Advisory Commission met November 12 via conference call to review and finalize the 120-Day Report which is due to Governor Culver on November 17.
